ULTRA GRIP ULTRA GRIP GAUNTLET STRETCHDRY WATERPROOF TECHNOLOGY WITH MERINO WOOL

Our original, totally waterproof, breathable and windproof, close fitting stretch knit gloves, incorporating our patented Stretchdry technology. These gloves give excellent grip, control and dexterity for a range of outdoor activities.

- 1 Constructed with our proprietary Stretchdry waterproof, breathable and windproof technology
- 2 Chevron printed palm and fingers for firm handling and increased grip even when wet
- 3 Merino wool inner lining for warmth, moisture control and comfort
- 4 Close fitting stretch knit for comfort and control
- 5 Feature on index finger and thumb allows use of touchscreen devices
- 6 Gauntlet cuff offers additional waterproof protection for when the going gets just that little bit tougher
